

Time for a change

Let's face it: You're going to be spending a lot of time at baby's changing station. You'll both enjoy the process a little bit more in a vibrant environment complete with all the freshen-up necessities. **PRODUCED BY GINNY BUTLER**

What's a changing table without diapers? Keep a supply at the ready at all times. Kissaluv cloth diapers from \$17

An electric wipes warmer can provide baby with extra comfort during diaper changes. Prince Lionheart wipes warmer \$26

Choose a long-lasting table with plenty of storage, and make sure to anchor it to the wall well before baby decides to test his strength on the drawer handles.

ducdud changer
\$1,395

Store socks, shoes, toys, first aid supplies—you name it—in convenient pullout bins. Pottery Barn Kids bin \$19

A contoured changing pad discourages rolling, and a removable slipcover makes cleanup that much easier.

Serena & Lily changing cover
\$75

Keep lotions, potions and baby distractions in reach with a handy tabletop caddy.

Pottery Barn Kids caddy \$24 and liner \$10
